

## Computer, Internet, and Computer Lab Use Agreement

Student Computer and Internet Abuse will not be tolerated.

STUDENTS ARE NOT PERMITTED TO:

- Play internet games
- Play any sort of computer games
- Download or play music from the Internet
- Download or watch movies or any other non-educational information.
- Listen to Music
- Carry personal music players and listen to them in class. (will be taken and given to office)
- Check or Write emails from their personal email account (For example: AOL, YAHOO, Comcast, etc)
- Logging onto inappropriate or non-educational websites
- Surf the web
- Tamper with or disable the teacher monitoring software

If Students are doing any of the above acts, the consequences are:

- A. First Offense:** (After oral warnings given by teacher the first day(s) of class).  
Students will lose computer privileges for the day, be given an alternate assignment, and receive an after school detention.
- B. Second Offense:** Student loses computer privileges for 2 days followed by parent contact, and receive an after school detention.
- C. Third Offense:** Referral to the DHS office.

Any other violations deemed serious acts can be given any of the above consequences stated.

These rules and consequences will be strictly enforced this school year by every DHS Computer teacher and in all of our computer labs.
